

# Where do the endangered **FALSE KILLER WHALES** spend their time?

(c) Daniel L. Webster/Cascadia Research

## **HOW YOU CAN HELP**

Be aware in high use areas – they may target your catch and approach your vessel

Change direction to avoid interactions, such as moving perpendicular to the animals' swimming direction;  
bring in lines

If you hook one, cut the gear close to the animal to avoid trailing line. Remove as much of the gear as possible, safely.

-----  
Please report sightings to 800-747-7329, or online at <https://falsekillerwhales.org/>

send photos to [hawaii@cascadiaresearch.org](mailto:hawaii@cascadiaresearch.org)

Report all interactions and marine animal emergencies to **888-256-9840**
